MINISTER DIED

Doctor J. N. Beard of San Francisco Suddenly Stricken in Terminal Hotel.

HIS COMPANION HEARD CRIES.

Session of Judiciary Committee of M. E. Church, Which He Was to Have Attended, Has Been Postponed.

The Reverend Doctor J. N. Beard of No. 129 Haight street, San Francisco, one of the best-known Methodist ministers of the West, died yesterday morning from heart disease at the Terminal Hotel.

Doctor Beard came to St. Louis to appear before the Judiciary Committee of the M. E. Church, which was to convene to-day. With him was Doctor A. C. Bane of San Francisco.

The clergymen attended church twice Sunday and when they retired in adjoining rooms at their hotel Doctor Beard ap-

About 4:45 o'clock in the morning Doctor Bane was awakened by cries from his companion's room, and, investigating, found Doctor Beard in great agony and complaining of pains in his stomach. OF HEART DISEASE. Constipated All His Life.

MR. and MRS. WILBERT THOMPSON. 801 Main St., Peoria, III. MULL'S GRAPE TONIC CURED HIM.

art Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."

We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c. a bottle is no object to us when a human life is at stake, and if your husband a case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will ressemble that is wreak to you last January in research to my humband's health."

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonie for constipation, which he suffered from since birth. He took just 24 bettles of it and is perfectly cured. He is much strenger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonie. 'It is worth its weight in gold.' Just \$12 cured him and he has spont hundreds of dollars with dectors who did him no good. Hew I want to state my case to you and expect your early reply. I since have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I awatt an early reply."

Very respectfully yours, MRS. W. H. THOMPSON, 201 Main St., Peoria, III.

A Hearty Response.

Monday's selling shows how keenly interested the public is in any important announcement made by Mermod & Jaccard's. Broadway and Locust. The various departments included in the Annual Inventory Sale made phenomenal records for selling, yet to take a ginnce at the stock one would scarcely realize that a special sale was going on. Their stock of Fine Table China especially is so very large that the assortment is still complete. However, we would advise those who are seriously contemplating the purchase of new Dinner Sets or other fine table china to make their selections at once. A Hearty Response.

MANY IMPORTANT ARMY CHANGES TO BE MADE.

General Chaffee Sinted to Succeed Lieutenant General Young, Who Retires January 9.

The Republic Bureau Washington, Jan. 4.—Many important changes, some of them surprising in char-acter, will be made in the army as a result of the statutory retirement on Jan ary 9 of Lieutenant General S. B. M. Young, Chief of Staff. All the promotions following the creation of that vacancy have been agreed upon by the President and the Secretary of War, and it was intended that they should go to the Senate o-day in the form of nominations. Some hitch appears to have occurred in the programme, however, and the nominations have been withheld for further consideraion by Secretary Root on his return from

New York to-morrow.

Although the matter has been guarded with the greatest secrecy at the War Department, positive knowledge has transwith the greatest secrecy at the War Department, positive knowledge has transpired concerning several of the more important appointments. For instance, it is known that appointments for instance, it is known that appointments as Lieutenant General and assigned to duty as Chief of Staff.

Furthermore, it is known that the vacancy thus created in the list of Major Generals will be permanently filled by the appointment of Brisadier General Gilliespie, Chief of Engineers and that the latter will be succeeded at the head of the Corps of Engineers by Colonel Alexander Mackenzie, the senior Colonel of the General Staff and the fourth ranking officer in his corps. These appointments will take effect on or shortly after the date of the retirement of General Young.

Prior to the appointment of General Gillespie as a Major General, at least two, and possibly three, Brigadier Generals will be promoted to that grade and immediately retired.

General William A. Kobbe, commanding the Department of Dakota at St. Paul, and Brigadier General Sanger, now on duty in this city in connection with the Philippine census, have been selected for promotion and retirement. Each of these officers will reach the regular retiring age in May next.

Several officers of lower grade will be made Brigadier Generals and immediately retired. Included in this list are Colonel Jacob Kleine of the Twenty-first Infantry, commanding the post of Fort Snelling, Minn.: Lieutenant Charles J. Allen, Corps of Engineers, and several other officers of distinguished service during the Civil War. Three permanent Brigadier Generals are to be appointed and the impression is strong that these will be Colonel Milliam S. McCaskey, commanding the Twenty-first Infantry, commanding the post of Fort Snelling, Minn.: Lieutenant Charles J. Allen, Corps of Engineers, and several other officers of distinguished service during the Civil War. Three permanent Brigadier Generals are to be appointed and the impression is strong that these will be Colonel Milliam S. McCaskey, comma

Philippine and Cuban campaigns and pr. or thereto.
Other contemplated changes are the promotion of Brigadier General Bates, Paymaster General, and Brigadier General Randolph, Chief of Artillery, to the grade of Major General, and their immediate retirement. Colonel Francis 8, Dodge of the Pay Department at New York will be appointed Paymaster General with the rank of Brigadier General, and Colonel John P. Story, Artillery Corps, commanding the artillery rost at Fort Monroe, will succeed General Randolph as Chief of Artillery.

BOOM STARTED FOR BIXBY.

Out for National Committeeman From Indian Territory.

REPUBLIC SPECIAL Muscogee, I. T., Jan. 4.-A boom has been launched among Territory Republicans for Tom Bixby for national commiteeman, and for United States Senator, in case the Creek and Seminole nations are taken in with Oklahoma as a State

arrances that the protest would be ignored.

The annual meeting of the Nolte Republican Club was held Saturday night at Grover. Tony Deitchman presided over the meeting. Addresses were made by Rowland L. Johnston, A. E. L. Gardner. John W. Belisirs, Harry W. Schnecko and Fred Autenrieth.

Katy Beckman, a World's Fair employe, yesterday swore out a warrant before Justice Campbell against Guy Williams, charging him with stealing \$2 from her on November 15. She said he took the money out of her pocketbook and refused to return it. Williams was arrested and will be tried to-day.

William Maar, a master mechanic,

in case the Creek and Seminole nations are taken in with Oklahoma as a State at this session of Congress.

A meeting was called originally at Okmulgee by R. H. Jennesse, editor of the Creek Chieftain and Postmaster at Okmulgee, for the purpose of indorsing William Mellette for national committeeman. Before the date of the meeting however, Mellette announced his withdrawal from the race and the anti-Boper men, headed by Jennesse, were at a loss what to do.

Some of the politicians saw the chance and immediately commenced to work up Bixby sentiment and succeeded in getting the meeting adjourned without indorsing Soper, and a call issued for another mass convention of Republicans to be called at Okmulgee on the thirteenth of this month for the purpose of discussing whether the Republican party shall indorse or oppose the annexation statehood plan, It is generally understood that for political reasons the Republicans will indorse the plan. At this meeting it is proposed by Mr. Bixby's friends to make the formal announcement of his candidacy for the national committeemanship.

Mr. Bixby will be a new and important factor in Republican politics in the two Territories. Up until the present he has judiciously kept his hands off. His advent into politics is of interest according to his strength with the politicians who do things.
